SPONSORSHIP AND SUPPORT | https://www.cacocamping.org/sponsorship.html

Since 1998, CACO Community Camping has brought Cambodian families and friends together to celebrate culture, community, and connection. What began as a grassroots gathering has grown into a beloved annual tradition, entirely organized and sustained by the Cambodian community in Oregon and Southwest Washington for more than 25 years.

Today, the event is powered by a dedicated team of 15-20 coordinators, more than 50 volunteers, and seven committees working year-round to create a memorable experience for all attendee. Each year, we

welcome over 1,000 attendees from across the United States and abroad, making CACO Community Camping one of the largest Cambodian community gatherings in the Pacific Northwest.

As a sponsor, your business will gain meaningful exposure to a diverse, engaged, and growing audience while directly supporting community programs, cultural activities, youth engagement, and family experiences. Written acknowledgement tax receipts can be provided upon request.

We invite you to partner with us and join the celebration at **Camp Meriwether on August 2027**

WHY SO MANY PICTURES?

As one of the survivors of Cambodia's darkest history, many of us have very little to no photographs of family, friends, their childhood. They were either destroyed or lost during our long and painful journey to safety and freedom. We have come a long way collectively and are now in a better place, in better positions and access to creating and capturing precious memories with family and friends. These albums contain shared memories of family, friends, perfect strangers who came to see, share, and experience a long weekend of beauty, grace and precious memories filled with food, fun and friendship that will leave you yearning for the return to this beautiful camp in Tillamook Oregon. We thank you for allowing us to capture these precious memories with each an everyone of you.

This event was made possible by the tireless volunteers, friends, family of the Cambodian-American Community Oregon, lead by the CACO Camping Committee (more info at www.cacocamping.org).
